MSOE TV SHOWS

A new series of original telecasts being presented by WTMJ-TV, entitled "Education on Parade," will include three half-hour shows featuring MSOE. These public service programs, which began Jan. 6, are televised each Saturday afternoon at 2:00 PM.

MSOE's first show of the series is scheduled for Feb. 10. Subsequent School programs will be produced on Mar. 24 and May 25. Each show will consider a particular phase of MSOE's educational program and allied activities. Production plans and scripts for the shows are being produced by MSOE's Public Relations Division, in cooperation with the staff of WTMJ-TV.

Other schools participating in the series will be Marquette University, the University of Wisconsin in Milwaukee, Milwaukee State Teachers College, Milwaukee-Downer College and Mount Mary College. Each of these schools will present shows demonstrating one or more of the educational fields for which that institution is best known.
